

Graduation Information

MVHS will be holding commencement exercises on May 25th at 8:00 PM in the Don Meredith Stadium. Please be aware that due to construction, no one will be allowed onto the track or football field area other than graduates and those participating in the ceremony. We will allocate a space where pictures can be taken at the conclusion of the ceremony.

Although it seems unlikely at this point, there is a small chance that rain could force us to alter our plans. Should the ceremony have to be moved due to rain, it will take place inside of the new gym at 8:00 PM. In this scenario, due to limited space, you **MUST** have a ticket to enter the gym for graduation. All of our Senior students will be given an allotment of tickets to pass out to whomever they choose. If you do not have a ticket for entrance, the ceremony will be streamed into the auditorium for the overflow crowd to view.

We will post any new updates on the school website, Facebook, and Twitter as soon as any decisions are made.

Thank you

Mr. Jason Glover

Principal

Mt. Vernon High School
